## Schedule of Fees

Oriental Rose LLC offers two tiers of pricing for patients paying on the day of service.

The standard pricing is :

Initial appointment; 90 minutes in duration at a cost of \$100 including all evaluation, diagnostic and treatment modalities used, materials and follow up, excluding any herbal formulas dispensed.

All subsequent appointments are 60 minutes in duration and at a cost of \$80 including all evaluation, diagnostic and treatment modalities used, materials and follow up, excluding any herbal formulas dispensed.

This applies to anyone not covered by the second tier of pricing described below.

The second tier of pricing is a discounted rate offered to three broad categories.

- 1) A fixed income category for students, people on a social security disability pension, seniors (anyone over the age of 65) and at the discretion of management can be extended temporarily or on an ongoing basis to existing patients in hardship.
- 2) A reciprocal arrangement discount for Friends of the Owl, House Taru Mae members and members of Ár nDraíocht Féin.
- 3) A community appreciation discount for active service members, emergency services personnel, first responders and veterans.

All three categories are charged at the same rate of:

Initial appointment; 90 minutes in duration at a cost of \$60 including all evaluation, diagnostic and treatment modalities used, materials and follow up, excluding any herbal formulas dispensed.

All subsequent appointments are 60 minutes in duration and at a cost of \$55 including all evaluation, diagnostic and treatment modalities used, materials and follow up, excluding any herbal formulas dispensed.

Payment is expected by cash or cheque on the day of treatment unless prior arrangements have been made or payment is being made through a third party. Invoice's will be emailed or posted out by USPS as per the patient's preference.

For patients paying after the day of service, such as for appointments being paid through a third party, then the full AMA coded bill will be charged and the patient will be responsible for any co-pay or co-insurance payment due on the day of service.

We are able to accept payment through debit/credit cards however we do charge an additional \$2.00 convenience fee per appointment when accepting payment by card.

All invoices are generated with the standard AMA CPT codes along with the correct modifiers, Relative Value Units and costing. This is to allow our patients to seek reimbursement from their insurance companies if they wish to do so for companies that Oriental Rose LLC is an out of network provider. Not all insurance companies will cover treatments from Oriental Rose LLC and not all treatment modalities are covered however this is at the discretion of individual insurance companies and agents.

The final cost on an Oriental Rose LLC invoice will not be the sum of the AMA costs. Oriental Rose LLC has a deep seated commitment to affordable healthcare and this discount will be applied to all invoices issued

Appointments can be cancelled or rescheduled up to 48 hours in advance without a cancellation fee. Appointments cancelled or rescheduled less than 48 hours in advance are subject to a 50% cancellation fee.
